ORDER

On January 17, 1973 Petitioner filed a single page document "requesting a variance from your standard requirement". It is impossible to learn from a reading of the document just which Regulation might be involved or anything whatsoever regarding the factual situation or the hardship to Petitioner from complying with a Regulation. We have no alternative but to dismiss the variance Petition without prejudice.

The Petition for a Variance is dismissed without prejudice.

I, Christian L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 30th day of January, 1973 by a vote of 3 to 0.
