CONCURRING OPINION (by J.D. Dumelle):

My reason for concurring is that I agree with the outcome. G & M Wrecking Co. should be dismissed because the primary offenders were the two men burning wire. Those men should have been cited instead of G & M.

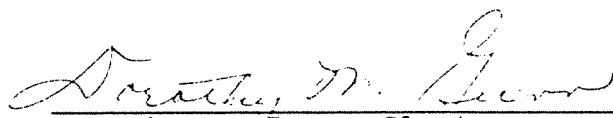

I do not agree with the majority's language on open dumping. Someone had to dump the wire in order for it to be burned. That is open dumping.

For these reasons, I concur.
