ORDER OF THE BOARD (BY SAMUEL T. LAWTON, JR.):

Board Order entered on November 21, 1972, directed Respondent to obtain a permit from the Agency within six months from the entry of the Order or by May 21, 1973.

Respondent has filed a petition requesting an additional six-months' time for submitting the necessary information to the Agency. On the basis of the facts alleged in the motion, we do not believe this additional amount of time is warranted, and, accordingly, amend our November 21, 1972 Order to provide that Respondent obtain the necessary permits within eight months from the date of the entry of the Order, or by July 21, 1973.

IT IS SO ORDERED.

I, Christan Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted on the 7th day of June, 1973, by a vote of 4 to 0.
