 ENVIRONMENTAL PROTECTION AGENCY )

Preliminary Order of the Board (by Mr. Currie):

Robbins asks a variance to allow open burning of trees and related landscape rubbish. The petition does not allege what attempts, if any, have been made to obtain a permit to burn this material in a manner or place authorized by our open burning regulations, or as to why it is deemed too costly to comply with requirements of those regulations, as for example by using an air-curtain destructor. We shall hold the petition for 20 days to permit the Village to supplement its petition with additional information. As it stands we could not grant the requested variance even if all the facts alleged were proved.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Preliminary Order this 14th day of March, 1972, by a vote of 4-0.
