ILLINOIS POLLUTION CONTROL BOARD May 24, 1973

ENVIRONMENTAL	PROTECTION	AGENCY))	#72-288
v. ACME SOLVENTS a corporation	RECLAIMING,	INC.,)))	

ORDER OF THE BOARD (BY SAMUEL T. LAWTON, JR.):

A petition to remit the balance of the penalty has been filed by Respondent. Our original Order of November 14, 1972 imposed a penalty in the amount of \$2,000 against Respondent for various open dumping violations as found to have been committed, as set forth in the Opinion.

On January 16, 1973, on Respondent's Motion for Reconsideration, we entered an Order permitting installment payment of the penalty providing that the entire sum be remitted within one year from the date of the Order.

The present motion to remit the balance of the penalty recites that payment in the amount of \$800 has been made and that \$1,200 remains to be paid. Respondent alleges that the penalty as originally assessed was punitive and not warranted under the circumstances. No reasons are set forth indicating in any way wherein the Board's original determination was erroneous, nor are reasons asserted that would pursuade the Board to discharge the unpaid portion of the penalty.

The petition to remit is accordingly denied.

IT IS SO ORDERED.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the above Order was adopted on the 2416 day of May, 1973, by a vote of 4 to 0.

Christmost mollet
