Supplemental Order of the Board (by Mr. Currie)

The District was granted a variance until May, 1974 (MSD v. EPA, #72-110, May 23, 1972) to permit orderly abandonment of the District's East Chicago Heights sewage treatment plant. Now the District tells us the May, 1974 date if asked for cannot be met and asks we revise it to September. The District should file with us whatever information it deems necessary to substantiate this request, and we shall await the Agency's recommendation.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Supplemental Order this 27th day of June, 1972 by a vote of 5-0.
