#72-246

Order of the Board on Motion to Dismiss (by Mr. Currie):

The Agency asks us to dismiss this variance petition on the ground it does not contain sufficient factual allegations under our Procedural Rule 401(a). We think the better course, likely to save time in the long run, is to allow 20 days in which an amended petition may be filed so that lost time can be minimized in proceeding to hearing. Absent such an amendment the Board will pass upon the motion to dismiss.

It is so ordered.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Order on Motion to Dismiss this 1 day of August, 1972, by a vote of 5-0.
