 MILFORD CANNING CO. and)
 ARMOUR & CO.)

Opinion & Order of the Board (by Mr. Currie):

This citizen complaint, denominated a "formal" one, was filed by the Chamber of Commerce alleging odors from a canning operation and an associated feed lot. We inquired whether the Chamber desired us to schedule a hearing in which it could prove its allegations, and we also referred the matter to the Environmental Protection Agency for investigation. The Chamber has indicated that it does not wish to proceed to hearing, and we therefore dismiss the case from the formal docket without prejudice. We trust the Agency will take whatever action is appropriate.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Opinion & Order this 29th day of August, 1972, by a vote of 5-0.
