ADJUSTED STANDARD OF TOMMY)
HOUSE TIRE COMPANY, INC., FROM 35) AS 95-1
ILL. ADM. CODE 848.202(b)(1) AND (b)(5)) (Adjusted Standard-Land)

ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on the motion to reconsider and amend Board order dated June 6, 1996 filed by Tommy House Tier Company, Inc. (petitioner). In the order dated June 6, 1996, the Board granted petitioner's request for adjusted standard but ordered that the adjusted standard terminate on April 30, 1997. Petitioner requests that the Board reconsider and amend the June 6, 1996 Board order to provide for an extension of the adjusted standard until June 16, 1997. On April 24, 1997, the Illinois Environmental Protection Agency (Agency) filed its response to petitioner's motion to reconsider and amend Board order dated June 6, 1996.

Petitioner argues that the June 6, 1996 Board order was premised upon petitioner's belief that it would occupy a new facility providing cover for its tires before April 30, 1997. Petitioner maintains that it suffered a delay in closing on its new property and was unable to occupy its new facility providing cover for its tires by April 30, 1997. Accordingly, petitioner requests that the Board amend the June 6, 1996 order by extending the adjusted standard until June 16, 1997. In its response, the Agency states that it has no objection to the petitioner's request for an extension of the adjusted standard to June 16, 1997.

The Board grants petitioner's motion to amend the Board order dated June 6, 1996 and hereby extends the adjusted standard to June 16, 1997.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15th day of May, 1997, by a vote of 6-0.
