ORDER OF THE BOARD (by T.E. Johnson):

On March 6, 2003, the counsel for Henry Pratt Company timely filed a notice to extend the 35-day period within which Henry Pratt Company (Henry Pratt) may appeal a February 3, 2003 determination of the Illinois Environmental Protection Agency (Agency). Accompanying the notice was an affidavit of counsel for Henry Pratt stating that Henry Pratt received a copy of the Agency's February 3, 2003 denial on March 5, 2003, that counsel for Henry Pratt discussed the denial with counsel for the Agency on February 27, 2003, and that counsel for the Agency agreed during that conversation to join Henry Pratt in a notice to extend time. *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.206(c), 105.208(a), (c). The Agency denied Henry Pratt's application for an air permit regarding Henry Pratt's water valve manufacturing facility at 401 Highland Avenue, Aurora, Kendall County.

The Board extends the appeal period until June 8, 2003.¹ *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.208(a). If Henry Pratt fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 20, 2003, by a vote of 7-0.
