ENVIRONMENTAL PROTECTION AGENCY	) ) )	

OPINION AND ORDER OF THE BOARD (by Mr. Dumelle)

This is a petition for variance from Rule 203(b) of the Air Regulations in regard to a grain dryer in Lincoln, Illinois. The petition was filed on May 2, 1973. On June 15, 1973 we adopted a grain dryer regulation which provides that grain drying and conditioning operations need not comply with the requirements of Rule 203 until May 30, 1975.

Therefore, there is no need for a variance in this case since petitioner is now not in violation of Rule 203. The petition is dismissed, without prejudice, as being moot.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Opinion and Order were adopted on the a/or day of June, 1973 by a vote of
