ORDER OF THE BOARD (by Mr. Seaman):

On April 10, 1973, the Board received Petitioner's request for a variance to the Board's rules, regulations, control and order prohibiting the North Shore Sanitary District from issuing sewer permits to persons desiring to construct single family residences in the Village of Highland Park, Illinois.

Petitioner's attention is hereby directed to Procedural Rule 401(b) regarding "affidavits and other proof". Petitioner has not provided this Board with sufficient information and/or evidence upon which to base a decision. For example, the Board will not suffer to speculate about the magnitude of a "substantial earnest money deposit" or Petitioner's allegation of reliance.

Petitioner is hereby ordered to file an amended petition with this Board on or before April 26, 1973, the amended petition to contain additional information to aid the Board's decision consistent with our Procedural Rule 401.

In the absence of such filing, the original petition shall be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted by the Board on the 12<sup>th</sup> day of April, 1973, by a vote of 4 to 0.
