ORDER OF THE BOARD (by Mr. Henss):

Respondent, Environmental Protection Agency, filed its Recommendation and a Motion for Hearing on February 10, 1975. The Variance Petition was filed December 31, 1974 and a decision is due at the Board meeting of March 26, 1975. The Motion for Hearing was not timely filed and there is no longer sufficient time to give the required notice for a hearing, allow for the preparation of transcripts of hearings and a review of those transcripts prior to a decision by the Board. For this reason, we feel that we must deny the Motion for Hearing.

However, we wish to provide an opportunity for the parties to submit additional information if they so desire. Therefore, we will allow ten days from the date of this Order within which time the parties may file additional statements, exhibits, comment or argument. Copies shall be served upon the opposing party. The parties are allowed an additional five days for the filing of rebuttal statements, exhibits, comment or argument. The last date for the filing of such additional material is March 14, 1975.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 27th day of February, 1975 by a vote of 4 to 0.
