ENVIRONMENTAL PROTECTION AGENCY)

Preliminary Order (by Mr. Currie):

Kraft seeks a variance from our sewer ban order (City of Mattoon v. EPA, # 71-8, April 14, 1971), and from an earlier Agency-imposed ban on connections in Mattoon. Among other things the petition alleged significant improvements in the treatment plant. It may be that the Agency's response with respect to this issue will make a hearing unnecessary. However, to be on the safe side we hereby authorize a hearing, which can be called off if that later proves necessary.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Preliminary Order this 3rd day of January, 1972 by vote of 4-0.
