ORDER OF THE BOARD (by Mr. Henss):

Respondents Processing and Books, Inc. and National Melody Farm Fresh Egg Company moved to dismiss the Complaint as being duplicitous. The Board has carefully reviewed the pertinent pleadings and is of the opinion that the Complaint is not duplicitous. This action involves a different time period and a different Regulation from that which was involved in the action already pending on appeal.

Therefore, it is ordered that the Motion to Dismiss be denied.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 29th day of May, 1975 by a vote of 5-0.
