CITY OF NORTH CHICAGO)

 v.) # 72-398
)
ENVIRONMENTAL PROTECTION AGENCY)

PRELIMINARY ORDER OF THE BOARD (by Mr. Currie):

This petition, filed October 6, seeks permission to burn branches of trees blown down in a recent tornado; the Agency recommends we grant it. Our rules require that we wait 21 days to allow citizen comments on variance petitions, so we shall place the case on the agenda for decision October 31 in light of the need for expeditious handling. We note the petition does not indicate why it is not practicable to utilize an air-curtain destructor or similar device, as required by the regulations, to minimize emissions and avoid the need for a variance. The City may file such supplementary information between now and October 31.

I, Christan L. Moffett, Clerk of the Pollution Control Board certify that the Board adopted the above Preliminary Order on the 10th day of October, 1972, by a vote of 5 to 0.
