Order of the Board (by Mr. Currie):

Petitioner seeks a variance to allow the open burning of non-diseased trees and underbrush to clear approximately twenty-two acres of land at the edge of the City limits. Under our recently-adopted regulations, the proper and more expeditious method of handling open burning cases is by referral to the Environmental Protection Agency which has been authorized to grant or deny permits to burn in the open. A copy of the new regulation detailing the permit procedure will be sent to the Petitioner with this order and we trust that the Agency will give expedited consideration to this request.

The petition is hereby dismissed without prejudice.

I, Christan Moffett, Acting Clerk of the Pollution Control Board, certify that the Board adopted the above Order this 8th day of November, 1971.
