ORDER OF THE BOARD (by Mr. Marder)

This matter coming to the Board on Complainant's Motion for Inspection of Premises, filed October 31, 1974, is hereby denied.

The Board only grants motions for a view of premises when the situation is novel or unique or where the Board feels that such view would be necessary for a proper determination of the case.

The standard procedure for proof of violation is through sworn testimony at hearing, not by a view.

This Motion does not fall into the area where the Board feels a view is necessary. Therefore, the Motion is denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, certify that the above Order was adopted by the Board on the 7th day of November, 1974, by a vote of 4 to 0.
