Respondent.

PRELIMINARY ORDER (by Mr. Parker):

By order dated October 3, 1972 we ordered Petitioner to file an amended petition on or before October 31, 1972. On October 27, 1972, we received from Petitioner a motion for an extension of time to amend the variance Petition, the extension being requested to permit adequate time for a conference between representatives of Petitioner, the Agency, and Kenroy, Inc. in order to clarify what information should be included in the amended Petition. The motion for extension of time seeks until November 30, 1972 in which to file the amended Petition.

The motion for extension of time is hereby granted to and including November 30, 1972 for Petitioner to file its amended variance Petition on the condition that the amended Petition include a statement by Petitioner that the 90 day period provided for in Title 9, Section 38 of the Environmental Protection Act shall commence as of the date of filing of the amended Petition.

I, Christan L. Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Preliminary Order on this 31<sup>st</sup> day of October, 1972, by a vote of 5 to 0.
