ORDER OF THE BOARD (by Mr. Henss):

The Environmental Protection Agency has filed Motion to Consolidate, requesting that this variance action be consolidated with PCB 74-220.

It appears to the Board that the last scheduled meeting of the Pollution Control Board within the 90 day period available for making the decision in the variance case is August 8, 1974. The decision must be made by that date. On the other hand, PCB 74-220 has been scheduled for hearing on August 19, 1974. Our conclusion is that a consolidation would interfere with the time schedules we must meet in deciding the cases. Therefore, consolidation will be denied.

It is Ordered that the Motion for Consolidation be denied.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 25th day of July, 1974 by a vote of 5 to 0.
