ORDER OF THE BOARD (by W.A. Marovitz):

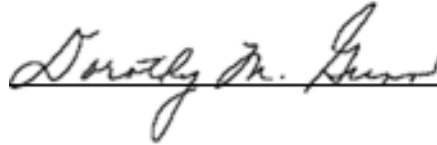

The Illinois Environmental Protection Agency (Agency) issued two administrative citations in June 2003 against Olen G. Parkhill, Jr. (Parkhill), one for each of two separate properties allegedly operated by Parkhill in Mahomet, Champaign County. Each citation alleges that Parkhill has caused or allowed the open dumping of waste resulting in litter, open burning, and construction or demolition debris deposition. Parkhill timely appealed each citation to the Board. The appeals were separately docketed as AC 03-33 and AC 03-34.

On September 22, 2003, the Agency filed a motion to consolidate the two appeals for hearing. Parkhill has not responded to the motion. The Agency states that the two cases have the same parties, the same main witnesses for the Agency, and the same burden of proof. Hearing in each case is scheduled to take place four days from today, on October 6, 2003.

The Board finds that consolidating the two cases for hearing will aid in the convenient, expeditious, and complete determination of the claims. No material prejudice will result from consolidation. The Board accordingly grants the Agency's motion to consolidate. *See* 35 Ill. Adm. Code 101.406, 101.500(d). The two proceedings are therefore consolidated for purposes of hearing, but not necessarily for decision.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 2, 2003, by a vote of 7-0.
