ILLINOIS POLLUTION CNNTROL BOARD July 12, 1971

LEAGUE OF WOMEN VOTERS, et al.))
v.))) # 70-7, 70-12, 70-13, 70-14)
NORTH SHORE SANITARY DISTRICT)

Order of the Board:

On July 8, 1971 the Board by a 3-2 vote (Messrs. Kissel and Currie dissenting) granted a petition by the City of Highland Park to reopen this case and to schedule another hearing. The League of Women Voters, in a motion since filed, has pointed out that the City's petition was never served on the parties and that they had no opportunity to respond. Consequently the Board grants the League's motion to the extent of allowing all parties to submit written arguments on the question whether the City's petition should have been granted, and invites oral argument on this question at its meeting July 19 at the Pollution Control Board, 189 W. Madison Street, Chicago, Illinois at 10:00 a.m.

It is so ordered.

I, Regina E. Ryan, Clerk of the Pollution Control Beard, certify that the Board adopted the above Order this 12th day of 1971.
