RE: IEPA file No. 723-03-AC, 0738075002-Henry County

Dear Clerk Gunn:

This is a Petition for Review. I am petitioning to resolve this problem by cleaning up all the debris. I have already brought equipment in and scraped the creek bank and the surrounding area. Swords Veneer is completing the rest of the cleanup by hauling this to the appropriate site. I wish to resolve this problem as quickly as possible without fines that I cannot afford.

When I hauled these wood chips to my home, I did so to use them for bedding for my wife's horses. I had extra chips, so I spread them around the creek bank and surrounding area. I did not know that I could not use these or haul them in. There are numerous tree companies in the area that dump wood chips for people, and they are used for landscaping. Again, I did not know this was a violation and I wish to completely resolve this problem.

Thank you for your consideration in this matter.

Sincerely,

Troy Williamson
