OPINION AND ORDER OF THE BOARD (by M.E. Tristano):

On December 30, 1999, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a complaint against R. Frietsch Company, Inc. (respondent). *See* 415 ILCS 5/31(c)(1) (2002); 35 Ill. Adm. Code 103.204. The People allege that respondent violated specified air pollution provisions of the Environmental Protection Act (Act) (415 ILCS 5/1 *et seq.* (1998)). The People further allege that respondent violated these provisions by failing to comply with the National Emission Standards for Hazardous Air Pollutants regulations for asbestos. The complaint concerns respondent's demolition of various facilities located in Tazewell and Peoria Counties.

On March 28, 2003, the People and respondent filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2002)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2002)). See 35 III. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief from hearing. The Board published newspaper notice in the *Morton Courier* and *The Peoria Journal Star* on April 3, 2003. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. See 415 ILCS 5/31(c)(2) (2002); 35 III. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of respondent's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2002)). The People and respondent have satisfied Section 103.302. Respondent admits the alleged violations and agrees to pay a civil penalty of \$10,000. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
