ORDER OF THE BOARD (by Mr. Goodman):

On February 7, 1980, the Order of November 1, 1979, as amended on January 10, 1980, was stayed to March 6, 1980. The Board hereby decides Petitioner's December 10, 1979 Motion For Reconsideration and Respondent's January 21, 1980 Objection thereto.

Respondent's January 21, 1980 motion to reconsider the January 10, 1980 amendment of the November 1, 1979 Order was granted on February 7, 1980, the parties having been ordered to submit certain additional information by March 6, 1980.

The Board hereby grants the relief pleaded in Petitioner's December 10, 1979 Motion For Reconsideration of the November 1, 1979 Order. In so doing, the Board reinstates its January 10, 1980 amendment to that Order.

On February 28, 1980, Petitioner submitted information illustrating that its NPDES Permit No. IL-0002615 expired on September 30, 1978. Bloomingtondale (PCB 78-124, 31 PCB 125), however, was not decided until October 19, 1978. Although Petitioner applied for renewal of the permit on March 27, 1978, no amended application was made subsequent to Bloomingtondale. Instead, this variance petition was filed.

In its variance petition, Petitioner pleads that it was inadvertently omitted from the universe of those granted relief by the Bloomingtondale decision. The Board finds that the intent in Bloomingtondale was to include Petitioner's circumstances, as previously set forth in the November 1, 1979 Opinion but not in Paragraph 4 of the Order. The applicable pollutant limitations are set forth in the January 10, 1980 Order amending the November 1, 1979 Order. The November 1, 1979 Opinion stands.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of March, 1980 by a vote of 4-0.

Christan L. Moffett, Clerk
