ORDER OF THE BOARD (by T.E. Johnson):

On August 4, 2003, the Koch Pipeline Company (Hanford Terminal) timely filed a joint request to extend the 35-day period within which Koch Pipeline Company may appeal a June 27, 2003 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.206(c), 105.208(a), (c). In that request, Koch Pipeline Company states that the Agency has agreed to the 90-day extension. Because the postmark date of the joint request is within the time for filing, the joint request was timely filed. 35 Ill. Adm. Code 101.300(b)(2), 105.404. At issue is the Agency's granting of an application for a lifetime operating permit for an NPS source, with modifications, for Koch Pipeline Company's pipeline terminal facility located at Hartford, Madison County. The Board extends the appeal period until October 30, 2003, as the parties request. *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.208(a). If Koch Pipeline Company fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 21, 2003, by a vote of 7-0.
