# **PETITION FOR REVIEW**

NOW COMES, the Respondent, COLORADO REAL ESTATE & INVESTMENT CO., A COLORADO CORPORATION, by and through their counsel, SEBO, CLARK & NEIGEL (Jeff L. Neigel), and hereby Petitions for Review of the Administrative Citation dated November 25, 2003.

# RESPONSE TO ALLEGATIONS OF FACT

In response to the Citation, they answer the facts alleged therein as follows:

- 1. Allegation one is admitted.
- 2. Allegation two is denied as to the allegations that the facility is an open dump, it is admitted as to the allegation that no IEPA Operating Permit is in effect. Respondent lacks information and belief to admit or deny the site code designation.
  - 3. Allegation three is admitted.

4. Allegation four is admitted to the extent that Agent Tripses appears to have entered Kingspark Estates property on October 16, 2003, but is otherwise denied.

#### **FURTHER PLEADING**

By way of further pleading:

- 1. That Respondent states affirmatively that Agent Tripses came onto private property owned by Respondent on or about October 16, 2003, without seeking consent and without obtaining a search warrant or other authorization to do so and that Respondent is not aware of any exception to the requirement that Agent Jones either have consent or a warrant; and specifically Respondent states that the site of the alleged violation is not in plain view from any public property or private property that Agent Jones would have had legal access to and thus Respondent believes that the Administrative Citation was issued based on information obtained during an improper search in violation of the Fourth Amendment of the United States Constitution and Act 1 § 6 of the Illinois State Constitution. Since any information or evidence ascertained from said search including subsequent interviews or investigations would be inadmissible in this or any other proceedings, the Administrative Citation should be dismissed.
