RE: Rochelle Waste Disposal, L.L.C.

vs.

City Council of the City of Rochelle, IL
Case # PCB 03-188 and PCB 03-218

PCT#18

Dear IPCB Members,

The Rochelle City Council (acting as siting authority), the Rochelle residents and the residents of the surrounding communities have voiced their strong opposition to any expansion of the Rochelle landfill. The Rochelle City Council made a decision based on evidence. Their decision was correct.

It simply does not make sense to create a mega dump over a major aquifer, between two communities, bordering on the homes of residents. For many reasons it is wrong to expand the dump in the existing location. Please uphold the decision made by the Rochelle City Council to deny the expansion.

Sincerely,

Margaret Allison
