HEARING OFFICER ORDER

On June 9, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that settlement discussions continue and that they are optimistic that they have reached a settlement in principle. At present, the respondent is reviewing an amended budget regarding the cost reimbursement issues.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 15, 2004, at 10:45 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss this matter is filed prior to the next status conference, the status conference will be cancelled without further order.

IT IS SO ORDERED.
