Please consider this
letter a vote of support
for the Mc Henry Co. Board's
decision to deny Mr. Lewis
application for a proposed
waste treatment station.

I have lived in Bright Oaks
subdivision for 3 1/2 yrs. +
bought my townhouse for a
retirement place to live in.

I have chronic bronchitis
and take Allegra for many
allergies - Do not need any
added smells to contribute to
my existing conditions.

The whole plan of Mr. Lewis is
deplorable for too many reasons
