On May 20, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that it appears a settlement has been reached and that the complainant will draft a stipulation and proposal for settlement for review.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 29, 2004, at 10:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance.
