HEARING OFFICER ORDER

On June 15, 2004, the parties participated in a telephone status conference with the hearing officer. Petitioner's consultant continues to work with respondent's project manager. As an alternative to pursuing the procedures for a revised permit, the parties are looking into whether the site clean-up performed in accordance with federal policy will eliminate the need for this permit appeal.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on August 31, 2004. The telephone status conference will be initiated by the petitioner. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

The petitioner has filed an open waiver of the decision deadline in this matter.

IT IS SO ORDERED.
