Respondent.)	

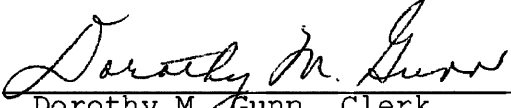

ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on a motion to postpone filing the record as submitted by the Illinois Environmental Protection Agency (Agency) on November 13, 1995. The decision deadline in this matter has been waived making the case due at the Board's May 16, 1996 Board Meeting. While the parties negotiate compliance options, the Agency requests an extension of time in which to file the record. The Agency, without objection from the petitioner, and barring any future waivers of the decision deadline, proposes to file the record no later than 60 days prior to the case being due, or by March 25, 1996.

The motion is hereby granted. The record in this case is now due by March 25, 1996. Any future extensions of the record filing date are to be directed to the hearing officer.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7th day of December, 1995, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
