ORDER OF THE BOARD (by C.A. Manning):

This matter is before the Board on a motion for extension of time to file the Agency Record, filed by the Illinois Environmental Protection Agency (Agency) on July 25, 1995. In its motion, the Agency requests an extension until October 23, 1995 to file its record in this matter. In support of its motion the Agency states that General Motors Corporation (GM Powertrain) has emissions testing scheduled for July 25, 1995, which may resolve this matter. The Agency also notes that General Motors has filed an open waiver of the decision due date, and asserts that no prejudice will result from the requested extension.

The motion for extension of time to file the Agency record is hereby granted. The record is now due on or before October 23, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of August, 1995, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
