HEARING OFFICER ORDER

On March 31, 2004, the parties participated in a telephone status conference with the hearing officer. A few problems remain at the site; however, respondent has sold the property, and the new owner has denied him access. When respondent sends a letter to complainant explaining that he does not have access to the property, complainant will accept the original settlement agreement. The parties hope this matter will be resolved within the next thirty days.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:30 a.m. on May 3, 2004. The telephone status conference will be initiated by the complainant.

IT IS SO ORDERED.
