Narrative

On November 5, 2003, I (Jeff Port) performed a follow-up inspection at the Troy Williamson property located on County Road 1900 N (Schroeder Road) in rural Henry County near Coal Valley. The purpose of this inspection was to determine if compliance had been achieved with respect to violation notices L-2000-01053 and L-2000-01054. These notices were sent to Troy Williamson, the property owner and Swords Veneer and Lumber Company in Rock Island. Violations of the Act and the Regulations were observed during complaint investigations (C-00-001-P and C-00-116-P) on February 2, 2000, July 12, 2000, October 27, 2000 and April 10, 2001.

I arrived at the site at 11:09 AM. The weather was overcast and cool, approximately 50 °F. The area had become overgrown with vegetation since my previous inspection. Additionally, it appeared that several pieces of concrete had recently been brought to the site. Photographs P1 through P3 were taken from the southwest corner of the site. These photographs show the vegetation throughout the site. In the background of photograph P3 an area of recently disrupted soil can be seen. Photographs P4 through P6 and P 9 show this area. It appeared that soil and concrete had recently been placed along the edge of the creek. Photographs P7 and P8 show the wood mulch and pieces of wood still present on the property. Photograph P10 shows some of the concrete placed along the edge of the creek. After photographing the site, I left at 11:16 AM.

Photograph locations are depicted on the attached site map. Based upon this inspection, the following continuing violations were observed and are indicated on the accompanying checklist.

1. Pursuant to Section 12(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/12(a)), no person shall cause or threaten or allow the discharge of any contaminants into the environment in any State so as to cause or tend to cause water pollution in Illinois, either alone or in combination with matter from other sources, or so as to violate regulations or standards adopted by the Pollution Control Board under this Act.

A violation of Section 12(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/12(a)) is alleged for the following reason: **Contaminants were noted on the Williamson property.**

2. Pursuant to Section 12(d) of the {Illinois} Environmental Protection Act (415 ILCS 5/12(d)), no person shall deposit any contaminants upon the land in such place and manner so as to create a water pollution hazard.

A violation of Section 12(d) of the {Illinois} Environmental Protection Act (415 ILCS 5/12(d)) is alleged for the following reason: **Contaminants were noted on the Williamson property.**

3. Pursuant to Section 21(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(a)), no person shall cause or allow the open dumping of any waste.

A violation of Section 21(a) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(a)) is alleged for the following reason: **Waste was open dumped on the Williamson property.**

4. Pursuant to Section 21(d)(1) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(d)(1)), no person shall conduct any waste-storage, waste-treatment, or waste-disposal operation without a permit granted by the Agency or in violation of any conditions imposed by such permit.

A violation of Section 21(d)(1) is alleged for the following reason: **Waste-storage and waste-disposal was conducted on the Williamson property.**

5. Pursuant to Section 21(d)(2) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(d)(2)), no person shall conduct any waste-storage, waste-treatment, or waste-disposal operation in violation of any regulations or standards adopted by the Board under this Act.

A violation of Section 21(d)(2) is alleged for the following reason: **Waste-storage and waste-disposal in violation of the Regulations was conducted on the Williamson property.**

6. Pursuant to Section 21(e) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(e)), no person shall dispose, treat, store or abandon any waste, or transport any waste into this State for disposal, treatment, storage or abandonment, except at a site or facility which meets the requirements of this Act and of regulations and standards thereunder.

A violation of Section 21(e) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(e)) is alleged for the following reason: **Waste was stored and disposed of at the site which does not meet the requirements of the Act and of regulations.**

The prohibitions specified in this subsection (p) shall be enforceable by the Agency either by administrative citation under Section 31.1 of this Act or as otherwise provided by this Act. A violation of Section 21(p)(7) of the {Illinois} Environmental Protection Act (415 ILCS 5/21(p)(7)) is alleged for the following reason: **Demolition debris was observed on the Williamson property.**

10. Pursuant to Section 812.101(a), all persons, except those specifically exempted by Section 21(d) of the Illinois Environmental Protection Act (Act) (Ill. Rev. Stat. 1991, ch. 111 1/2, par. 1021(d)) [415 ILCS 5/21(d)] shall submit to the Agency an application for a permit to develop and operate a landfill. The applications must contain the information required by this Subpart and by Section 39(a) of the Act, except as otherwise provided in 35 Ill. Adm. Code 817.

A violation of Section 812.101(a) is alleged for the following reason: **The development and or operation of a solid waste management site was allowed on the Williamson property without a permit application submitted to the Agency.**
