## ILLINOIS POLLUTION CONTROL BOARD

Environmental Protection Agency	)
v.	) PCB 70-8
Village of Glendale Heights	)

## ORDER

The Board hereby orders the case of the Environmental Protection Agency v. Village of Glendale Heights, PCB 70-8, to be returned to the hearing officer for consideration of the following matters:

- (1) Whether the location of the proposed addition to the sewage treatment plant entails use of a flood plain; and, if so, if such location is detrimental.
- (2) The storm water infiltration of the sewer system;
- (3) The basis for the Agency's dismissal of its request for money penalties;
- (4) Whether further connections to the sewer system should be allowed in the period between the entry of the Board's order and the completion of the then proposed addition to the sewage treatment plant;
- (5) How the proposed Glendale Heights addition would conform with a regionalization of sewage treatment facilities in DuPage County
