ORDER

The Board, having considered the record in this proceeding hereby grants the requested variance subject to the following conditions:

1. The duration of this variance shall be for 3 months from date after which time the City shall be subject to all the rules and regulations then in effect regarding the burning or other disposal of trees and landscape waste.
2. Only elm trees from the City of Carthage are included in this variance grant, both those infected with Dutch Elm disease and those trees not so infected.
3. Burning of the trees shall be accomplished between the hours of noon and 4:00 p.m. only when the wind vector is from the south or east, when the wind velocity is between 5 and 20 knots, and when the sky is not overcast.
4. No fuel of lesser quality than number two fuel oil shall be used to promote combustion.
5. All burning shall be done under the full time direct supervision of a city or landfill facility employee.
6. Non-observance of any of the conditions of this variance shall be cause for revocation of the variance.
