To: Clerk of the Board
State of Illinois
Pollution Control Board
100 W. Randolph St. #11-500
Chicago, IL 60601

Ref: Case# PCB 03-115

I am writing to withdraw my complaint against Coresaw Log & Lumber. The sawmill has not been in operation for several months, and I do not wish to burden the Board with continued extensions.

I do reserve the right to refile if Mr. Edwards, or anyone else, decides to reopen the sawmill, or any other business operation, that causes unreasonable interference in the lives of myself or my neighbors.

I appreciate the time and patience of the Board, and Hearing Officer, and hopefully will not need your services in the future.

I am sending nine copies of this letter to the Clerk of the Board, one copy to Carol Sudman, and one to Michael J. Honegger.

Respectfully Submitted,

David B. Haworth
