HEARING OFFICER ORDER

On June 1, 2004, complainant participated in a telephone status conference with the hearing officer. Respondents' attorney did not appear. Furthermore, respondents' attorney has not filed an appearance, and complainant has not been able to reach him. Respondents' attorney is directed to contact complainant before the next status conference if he is still representing respondents. According to complainant, respondents signed the proposed stipulation and settlement agreement, but they have not cleaned the site as the agreement requires. If respondents' attorney does not inform complainant about the status of the cleaning before the next status conference, this case may be set for hearing.

The parties are directed to participate in a telephone status conference with the hearing officer at 1:30 p.m. on June 29, 2004. The telephone status conference will be initiated by the complainant.

IT IS SO ORDERED.
