vs. City Council of the City of Rochelle, IL
Case #'s PCB 03-188 and PCB 03-218 ←

Clerk of the Pollution Control Board
Dorothy M. Gunn, clerk Illinois Pollution Control Board

PC#2

As a concerned citizen, I am writing this letter in protest of the proposed landfill expansion in Rochelle, IL.

There have been two application hearings concerning this matter during the past three years. After reviewing all the facts and evidence presented, the City Council's opinion was that this landfill is not safe for the health, safety and welfare of our community. The majority of the citizens of Rochelle agree that this landfill will not provide a safe environment.

Please listen to the citizens of our community. We are trying to keep our city environmentally safe for our future generations.

Thank you,

Deborah Evans
