HEARING OFFICER ORDER

On April 22, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they are optimistic that this matter will be resolved without the necessity of a hearing. One issue remains outstanding. The complainant represented that it intends to draft a stipulation and proposal for settlement (stipulation) in the near future.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 30, 2004, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
