Dear Ms. Gunn:

**Subject: Amended Budget Submittal
Premcor Refining Group
Pontoon Beach Store #1893
LPC #1190855008
LUST Incident #942113**

On behalf of the Premcor Refining Group (Premcor), Philip Environmental Services Corporation (Philip) has enclosed a copy of the Amended Budget for the above referenced site sent to Ms. Valerie Davis of the Illinois Environmental Protection Agency (IEPA). On August 25, 2003, Premcor received from the IEPA the completed review of the Reimbursement Package for the above-referenced site. This review indicated \$17,696.54 was approved of the total amount requested (\$25,008.85). This Amended Budget covers costs incurred to complete the Site Investigation activities. There incurred costs are greater than the previously approved budgets. A letter requesting a 90-day extension was filed with the Illinois Environmental Protection Agency Legal Counsel on September 25, 2003.

If you have any questions, please contact Angie King or myself at 800-733-7173.

Sincerely,

PHILIP ENVIRONMENTAL SERVICES CORPORATION

Peter T. Sazama, P.G.
Project Manager
