ORDER OF THE BOARD:

On January 24, 1996, Oscar Mayer Foods Corporation/Kraft Foods, Inc. (Oscar Mayer) filed a petition for review of an Illinois Environmental Protection Agency (Agency) final determination of Oscar Mayer's 20-day and 45-day reports. The Agency disapproved Oscar Mayer's reports on December 20, 1995. The final determination concerns Oscar Mayer's sites located at 1241 North Sedgwick Street and 427 West Scott Street, Chicago, Cook County, Illinois.

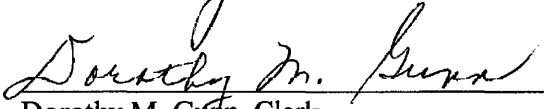

Because there are two different sites, two separate petitions are required. While the Board accepts the single petition filed for the purposes of determining timeliness of the appeal for the purposes of Section 40 of the Environmental Protection Act, we order Oscar Mayer to file

two amended petitions, each of which deals only with one site. Oscar Mayer shall caption the amended petition for the site at 1241 North Sedgwick, (LUST incident #940514) as PCB 96-162, and shall caption the other for the 427 West Scott Street (LUST incident #940516) site as PCB 96-166, a docket number hereby reserved for this purpose.

If amended petitions curing this deficiency are not filed within 45 days of the date of this order, these dockets may be subject to dismissal. A \$75.00 filing fee will, of course, be required at such time as Oscar Mayer files the amended petition PCB 96-166. The filing of the amended petitions will restart the Board's decision time clock.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 1<sup>st</sup> day of February, 1996, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
