Re: Amendment to Sound Emission Standards

To: Illinois Pollution Control Board

Please make changes to the current Sound Emission Standards for Vaughan & Bushnell Mfg. Co. Under Title 35, Subtitle H, Chapter I, Section 901.121, paragraph (a) states "no more than ten hammers at any one time." Section 901.121 paragraph (b) states "6:00 a.m. and 1:30 p.m."

Section 901.121 - Vaughan & Bushnell Operational Level - Paragraph (a) should read "eleven hammers" and paragraph (b) should read "6:00 a.m. and 1:30 a.m."

If you have any questions please contact me at (309) 772-2132.

Sincerely,

Mike Havens
Safety Manager
