ORDER OF THE BOARD (by B. Forcade):

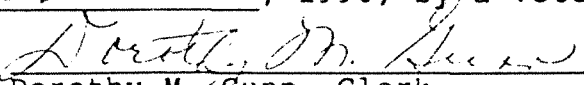

On July 6, 1990, Borden Chemicals and Plastics Operating Limited Partnership filed a petition for extension of a prior variance, PCB 88-90, which expires on October 6, 1990. On August 17, 1990, the Board received an objection to the grant of variance. This matter is accepted for hearing. The hearing officer is required to inform the objector of the hearing pursuant to 35 Ill. Adm. Code 104.200(b):

The Hearing Officer shall give notice of the hearing in accordance with 35 Ill. Adm. Code 103.123(b), at least 21 days before the hearing to the petitioner, the Agency, and anyone who has filed an objection to the petition.

The Board notes that there are extremely tight timeframes in this proceeding. The decision deadline in this matter is November 3, 1990. The last regular Board meeting to decide this matter is October 25, 1990. The hearing is presently scheduled for October 4, leaving 16 working days to receive the transcript and draft an Opinion and Order. Therefore, the hearing, as established by the hearing officer, may not be rescheduled without waiver of decision deadline; transcript of hearing will be expedited; and no written briefs will be allowed prior to Board decision. Any deviation from this schedule must be accompanied by a waiver of decision deadline.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 30<sup>th</sup> day of August, 1990, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
