

RECEIVED  
CLERK'S OFFICE

STATE OF ILLINOIS  
Pollution Control Board

PCB No. 04-48  
(Permit Appeal)

2. The Village, like many agencies of local government, is facing extraordinary fiscal and financial issues related to business activities in their community. The facility seeking the permit modification is the principal industrial operation in the Village.

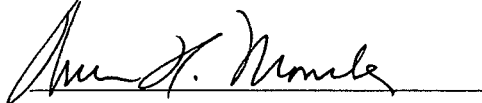

3. As the local siting authority, the Village desires to expedite the resolution of the permit issue as the project that is subject of the permit cannot operate and provide needed revenues to the Village unless the permit issue is resolved.

4. The Village remains ready, willing and able to discuss any outstanding issues related to the permit and looks forward to the speedy resolution of this matter.

**WHEREFORE**, the Petitioner Village of Robbins does not object to the extension of time to file a response to the motion for summary judgment until May 28, 2004 but is concerned with the timely resolution of the motion.

Respectfully Submitted,

VILLAGE OF ROBBINS  
Petitioner

A handwritten signature in dark ink, appearing to read "William H. Mansker", is written over a horizontal line.
