HEARING OFFICER ORDER

A telephonic status conference was held on June 10, 2004. Complainant did not appear due to a conflict. Respondent represented that the parties are very close to settling this matter and that complainant is at present reviewing some revised settlement language in the stipulation and proposal for settlement (stipulation). To that end, respondent made an oral motion for an extension of time to answer the complaint. Respondent's motion is granted. Respondent's answer is now due on or before August 20, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 5, 2004, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
