ORDER OF THE BOARD (by T.E. Johnson):

On July 21, 2003, the parties timely filed a joint notice to extend the 35-day period within which Illinois State Toll Highway Authority may appeal a June 13, 2003 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.402, 105.406. Because the postmark date of the joint request is within the time for filing, the joint request was timely filed. 35 Ill. Adm. Code 101.300(b)(2), 105.404. At issue is the Agency's approval of the high priority corrective action plan, with modifications, for the Illinois State Toll Highway Authority's leaking underground petroleum storage tank facility located at Belvidere Oasis (North Side), Belvidere, Boone County. The Board extends the appeal period until October 16, 2003, as the parties request. *See* 415 ILCS 5/40(a)(1) (2002); 35 Ill. Adm. Code 105.406. If Illinois State Toll Highway Authority fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 24, 2003, by a vote of 6-0.
