HEARING OFFICER ORDER

On May 20, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that it appears that a settlement has been accomplished on the key issues. The complainant represented that it will draft a stipulation and proposal for settlement and then forward it to the respondent for review. The respondent made an oral motion for an extension of time to file its answer. The complainant had no objection. The respondent's motion is granted. Respondent's answer is now due on or before August 20, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 29, 2004, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
